CONFECTIONERY TRAYS

Alison Handling holds in stock a range of confectionery trays in a natural colour, with a range of colours available to order.

Made from food grade polypropylene, confectionery trays come in both solid and perforated versions in a selection of heights. Confectionery trays stack securely and most feature hand holes on the short sides for easy movement.

Although originally designed to carry confectionery and savoury items, confectionery trays are widely used in a variety of industries, including by textile manufacturers, horticulture, food manufacturers, abattoirs, farming, and meat.

Standard Features

- Choice of 3 Depths
- Smooth sides for easy cleaning
- Large perforations to allow air flow
- Choice of Solid or Perforated
- Choice of many colours for easy identification available on request
- Dolly available on request

DISPENSERS, INGREDIENT TRUCKS, INTERSTACKING BINS

Alison Handling can supply a range of ingredient dispensers in a range of colours and sizes.

Dispensers: Commonly store and dispense smaller volumes. They come in various sizes and shapes, with easy-to-use mechanisms that dispense a specific amount of product.

Mobile Ingredient Bins: These large, heavy-duty plastic bins have removable lids for washing and filling and a clear polycarbonate front access flap to dispense the product hygienically.

Interstacking Bins: Interstacking storage bins in a variety of colours and capacities. This range of bins come in four heights, all of which inter stack together. A bespoke plastic pallet will safely carry four loaded stacks and a plastic dolly is also available.
